Heirs to the Kingdom

The Spirit himself bears witness with our spirit that we are children of God, and if children, then heirs—heirs of God and fellow heirs with Christ, provided we suffer with him in order that we may also be glorified with him.

Choices Of The Heart

40th Anniversary Fundraising Gala

We are proud to announce we are celebrating our 40th year of Advocating for the Unborn! This means 40 years worth of children getting to feel their mother's touch, play baseball and dance, grow up with their siblings, graduate, fall in love, and have a family of their own. Your donations and support has made this possible for so many women experiencing an unplanned pregnancy!

As we continue to Give Hope and Save Lives in the name of Christ, your help is at the center of our work. This year we have helped 351 clients with pregnancy tests, ultrasounds, and counseling.

So far this year we have seen 31 births with many more to come!

Helping Choices Of The Heart continue our legacy of Giving Hope & Saving Lives is the three time Grammy nominated Michele Pillar. Touring with the Billy Graham Association and topping radio charts (yearly with her "I Hear Angels Calling" single) has given her a platform to share the power of the Gospel and its impact on her when she had an abortion after an unplanned pregnancy in 1973.

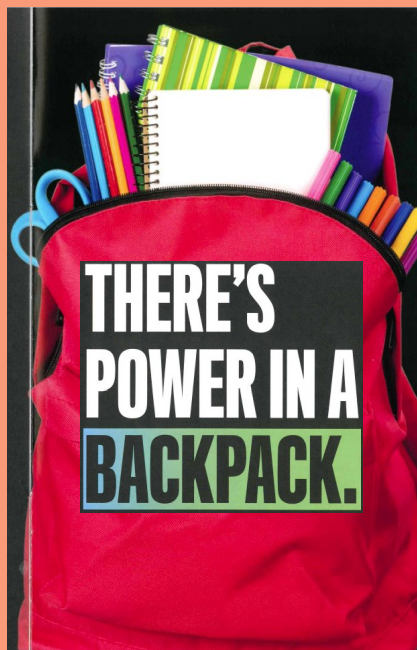

Bring an open heart and wear your best business casual to enjoy an evening of delicious food, meaningful conversation, Michele Pillar's powerful testimony, and the joy of celebrating 40 years of Saving Lives! We look forward to seeing you on October 29th!
